

Can you find the pink sock?

Share this page with a grown-up. Point to the sock or draw a circle around it.

**Nana had a washing machine.
It lived in the garage.**

Look all around the clothes border.

Then find something blue. Point to a shirt. Tell your own wash-day story.

Grown-up hint: the small pink sock is on the right edge, just below halfway.

Taken from book page 6. Try the full 21-page hunt in the book next.
